

ACADEMIC PROGRAM TIME LIMIT EXTENSION REQUEST FORM

ABOUT THIS FORM: All matriculated Rowan Global students are expected to complete their academic programs within the time limits outlined below. Those who do not (as verified by the Department) will officially become "inactive" in the student information system and may have to reapply or request a special extension in order to continue.

Students in **non-degree programs** (Post-baccalaureate or Graduate Certificate [COGS/CAGS]) are expected to complete their programs (coursework and all other requirements such as benchmarks/program exits/projects) within 9 consecutive terms from the original term of matriculation.

Students in **graduate-level degree programs** are expected to complete their programs (coursework and all other requirements such as benchmarks/program exits/projects/thesis) within 18 consecutive terms from the original term of matriculation.

An **extension** (typically of not more than three consecutive terms, depending upon remaining credits/requirements for program completion) to the non-degree or graduate degree program completion time limit may be requested by the student by completing this form, acquiring the signatures of their Academic Advisor and the Dean of the College where their academic program is housed, and then returning the form to Rowan Global Academic Services for final approval.
