

Foundation Course Completion Form

ABOUT THIS FORM: This form is completed during the admissions process to address if or how you have met the foundation course requirements (if applicable) for the program to which you are applying. To determine if your program requires the submission of this form, please review the admissions requirements for your program.

- For each course listed, be sure to attach all supporting materials (such as transcript and syllabus).
- During the admissions process, the Academic Advisor/Faculty Admissions Committee will determine foundation course equivalencies and how any unfinished foundation courses can be scheduled concurrently with program enrollment.*
- If applicable, notification of any unfinished foundation courses will be included in the applicant's decision letter.
- It is the applicant's responsibility to continue to coordinate directly with the program's Academic Advisor regarding the successful and timely completion of all foundation courses.
- An application to a program requiring foundation courses will not be complete without this form.

***NOTE:** Foundation courses may not be available in an online format through Rowan University.

Please complete this form in its entirety and submit it via the information on the bottom of this page.
